Re: Donations to the “SEA Sick Leave Bank” for 2022-23
Date: June 15, 2022

The Stamford Education Association has established a “Sick Leave Bank” to aid only unit members “who may suffer prolonged absence from (a) a disabling condition, (b) an accident which causes disability; and (c) disability arising from complications from pregnancy.” When personal sick leave accumulation has been exhausted, all unit members have the right to apply to the sick leave bank for assistance.

In accordance with contract Article 8, E.(3) each unit member may contribute one (1) or two (2) days from his/her sick leave accumulation to the SEA Sick Leave Bank.

Non tenured teachers may also donate to the Sick Leave Bank as per teacher contract. For each year they donate to the sick bank until they attain tenure, they are eligible to use 15 days from the bank. The SEA strongly recommends that all members donate at least one day to the Sick Leave Bank to ensure their eligibility for usage of days from the bank.

If you wish to donate to the sick bank, you can make your donation through the online process by using your SPS google email address with the link from this email OR you can complete the form below and return it by scanning to SEASickBank@gmail.com OR by faxing it to 203 358-0254. Sick bank donations should be returned by June 30, 2022.

Thank you for your prompt attention to this matter.
